

Manual Test Fixtures

Impressive variety

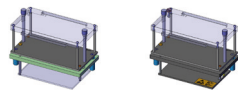

MA xxx series

Exchangeable test fixtures for single testing

- 1: max. 300 N *
- 2: ~ 300,000 *
- 3: max. 20 mm

Exchangeable kits ATS MAxxx series

Standard

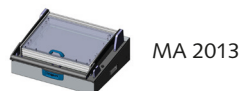

ESD

MA xxxx series

MA 20xx series

Stand-alone test fixtures for serial testing

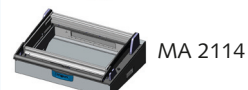

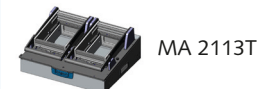

- 1: max. 2,000 N *
- 2: ~ 500,000 *
- 3: 15 mm

MA 21xx series

Exchangeable test fixtures for serial testing

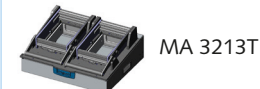

- 1: max. 2,000 N *
- 2: ~ 500,000 *
- 3: 15 mm

MA 32xx series

Exchangeable test fixtures for mass testing

- 1: max. 2,000 N *
- 2: ~ 2,000,000 *
- 3: 22 mm

Usable area (W x D mm)

150 x 170

150 x 240

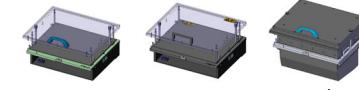

285 x 240

440 x 310

2x 150 x 240

540 x 310

Exchangeable kits ATS MAxx series

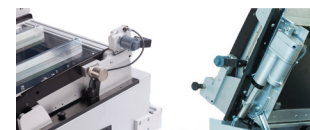

Standard

ESD

Radio frequency

Functional units for MA xxxx and ATS MAxx series

e.g. checks, locking units, safety switches, self-openers and more.
