

- Coaxial plug connector
- Precise transitions
- High contact reliability and transmission quality

General data

Product group:	Electric accessory
Series:	STV
Type:	RF contact plug
Version:	Coaxial connector with flange
Accessory type:	Customising accessories
Component assembly:	
Material:	Stainless steel
Width:	19 mm [.748 in]
Weight:	0.01 kg [.022 lbs]
Min. temperature:	-65 °C [-85 °F]
Max. temperature:	125 °C [257 °F]
RoHS-compliant:	Yes

Electrical data

Impedance:	50 Ohm
------------	--------

Compatible with

Interface blocks (SB):	SB-T-HF-004-18GHz-xx
------------------------	----------------------

Technical data

Connection:	SMA
Installation:	Counterbore DIN-AM2,5
Number of poles:	1
Frequency up to:	18 GHz
Length:	18 mm [.708 in]
Diameter:	9.5 mm [.374 in]

Frequency range	Return loss	VSWR
0 GHz ... 18 GHz	20 dB	1.22
