

tooling pin

FS-4,90-RD-06-02

Item 53329

GO TO PRODUCT

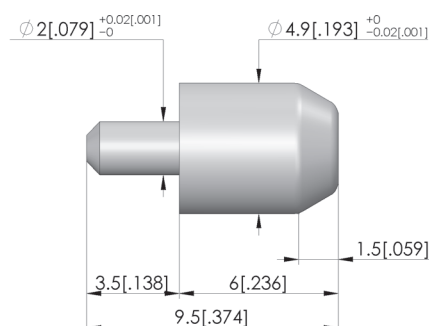

ingun[®]

Partner for Future Technology

- Trusted tooling pins for reliable positioning of the PCB via the tooling holes
- Rigid design
- Low tolerances
- Numerous tip styles in 0.1 mm diameter increments
- Different lengths for easy mounting in pressure plate and probe plate

1:1

General data

Product group:
Series:
Type:
Version:
Accessory type:
Material:
RoHS-compliant:

Tooling pins
FS-ST
Round
ADP, 4 mm thick
Customising accessories
1.4305
Yes

Compatible with

For dual-stage contacting:

Yes

Technical data

Tip diameter: 4.9 mm [.192 in]
Installation: Plugged
Length: 9.5 mm [.374 in]
Tip height: 6 mm [.236 in]
Diameter: 2 mm [.078 in]
Pin diameter: 2 mm [.078 in]
