

The image displays three technical drawings of a square frame assembly:

- Top View (Left):** Shows the overall dimensions of the square frame. The outer side length is 646, and the inner side length is 454. The thickness of the frame is 46.
- Side View (Top Right):** Shows the profile of the frame. The total width is 490, and the height of the frame is 20. The inner width is 484.
- Isometric View (Bottom Right):** A 3D perspective view of the square frame assembly. It shows the frame with a central opening. The frame is composed of two main parts: a base (part number 113741) and a top cover (part number 111698). The frame is secured by four corner fasteners (part number 16950). The dimensions 26183, 14310, and 2896 are also indicated, likely representing the thickness of the frame and the distance between the fasteners.
